No: 1375/J Encl: 1 offl history.

Sir,

I have the honor to forward herewith a report detailing the official history of T. Dhoraswamy Pillai, 2nd Assistant Jailor Bangalore Central Jail, from the date of entertainment till the date of dismissal according to date and sequence of events. It shows fairly & concisely, the repeated delinquencies of this official, and that every chance has been given him to reform without the desired result My opinion is that his failings are due to indulgence in alcohol. I have seen him several times

decidedly

decidedly happy" - but never actually drunk. My experience of tipplers is that they cannot be trusted and this man is an illustration of the fact. I have accordingly dismissed him from the service the dismissal dating from the date of his last absence viz 10th September 1901.

I have the honor to be,

Sir,

Your most obedient Servant,

He has also stated that Dorasamy Pillay made him understand that he is suffering from piles and they were bleeding since 17th, thus making him feel very weak and that on examination, he found two small External piles. beyond which there was no other. Appreciable disease.

44, J. Doraisami Pillay was ordered by the Superintendent of the Bangalore Central Jail, to go to the Victoria Hospital. This he did not obey.
